

Storyboards

Please complete this form for **EACH PAGE** of your Website and **EACH PAGE/SCREEN** of your mobile app. Each should have a minimum of five (5) internal pages/screens for a total of ten (10). Do not worry if you think you will change your mind about your site. This is just a starting point! You will very likely revise as you go along.

Storyboard Form	
Your Name: Michael Scarazza

Color Specs:	<p>The background will be a lighter gray.</p> <p>The footer will be black</p> <p>All of the text will be in the same font/ just different bolds and sizes- Something like this</p>

The wireframe shows a simple web page structure. At the top is a header bar. On the left side of the header is a box labeled "Logo/store". On the right side is a box labeled "navbar". The main body of the page is a large rectangle. In the center of this rectangle is a smaller box labeled "Form Login and Register". Below the main body is a wide, empty rectangular area, likely intended for a footer.
